

## PARENT-CHILD OVERNIGHTS

What goes on after the lights go out at the Dallas Zoo or at The Dallas Aquarium at Fair Park? Bring your mom or dad to see for yourself at the Dallas Zoo Mother-Daughter Mother's Day or Father-Son Father's Day Snooze! You will get an after-hours tour and an opportunity to see some of our education animals up close. Later, you'll enjoy a special parent-child creature craft, a light snack, and finally some shuteye. In the morning, continental breakfast is followed by a zoo/aquarium keeper talk and free admission to the zoo/aquarium for the day.
