

CAREER EXPLORATION OVERNIGHT

Career Exploration Overnight (for ages 11-17)

Wild about animals and conserving nature? Explore the diverse opportunities at the Zoo and Aquarium, and learn how to prepare for an exciting career in wildlife care and management. You will explore the Zoo with a guided flashlight safari discussing the variety of career opportunities a zoo provides, learn how staff trains animals, enjoy a light snack and a craft before some zoo snoozin'. In the morning, continental breakfast is followed by a zookeeper talk and free admission to the Zoo for the day.

Saturday, May 24—Sunday, May 25

CHAPERONE REQUIREMENTS:

- ★ Due to space requirements, we strictly adhere to a ratio of 1 adult per 4 children.
- ★ Chaperones must accompany the children throughout their overnight experience and enforce rules regarding Zoo safety and property.
- ★ Girls must be chaperoned by females who are at least 21 years old; boys may have either male or female chaperones who must be at least 21 years old.
