

SIGNATURE EVENTS

Events at the Dallas Zoo are special. Nowhere else can you gather with your group or organization and enjoy a wide variety of wildlife in a family-friendly environment that is second to none in the Metroplex.

As anyone will tell you, an integral part of any special event is the food. Our Executive Chef and culinary staff will create a unique menu to satisfy any carnivore's palate. The professional event staff will see that every detail is taken care of from centerpieces, venue decor to complete theme development.

In the evening, the Dallas Zoo transforms into a magical wonderland that whisks you away from the hustle and bustle of the city and takes you on a memorable adventure far, far away. Imagine having dinner in the African Savanna at sundown while still in the heart of Dallas. You can! During dinner, watch from the Simmons Safari Base Camp as the African elephants graze in the grasslands or come face-to-face with giraffe at the Giraffe Overlook during cocktails. From sit-down dinners to buffets the options are endless. The Dallas Zoo sets the stage for unforgettable events that your guests will be raving about for years to come.
