

The Rehabilitation Game

It's Pay Day!

- A. For every staff member that you have you must pay them \$500.00 each.**
- B. You must pay \$500.00 to the bank for the general costs of maintaining your facility.**
- C. After you have paid your current staff, you may choose to let some of your staff go due to budgetary reasons. Remember, for every staff member that you let go, you must relocate your penguins to another rehabilitation facility. You must keep a 1:5 ratio. The cost of relocation is \$25 per penguin.**
- D. You may also choose to re-evaluate your decisions about release site and monitoring methods. Please pay the bank accordingly, or the bank will reimburse you if necessary.**
