

Sharks in the Park Educator Workshop

**How do sharks hunt?
Are they endangered?
How are sharks and rays related?
What can you find inside a shark?**

**Answer these and many more questions as you spend a day at the ocean,
without ever leaving Dallas!**

Join the Museum of Nature and Science and the Children's Aquarium at Fair Park for a brand new learning experience. You will explore the Planet Shark exhibit at the Museum and then meet live sharks at the Aquarium! Through this hands-on educator workshop, you will also learn tips for taking your students on a shark-filled field trip to Fair Park, along with lesson plans and activities to take back to your classroom to further explore the world of sharks and ocean science. This exciting workshop is designed for Kindergarten through eighth grade teachers. All workshop participants will earn 6 hours of SBEC credit, as well as 6 hours of TEEAC credit.

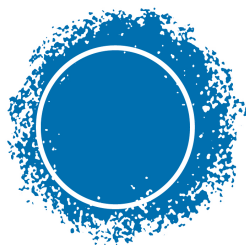

Date: Saturday, February 4, 2012

Time: 9:00 a.m. to 3:30 p.m.

Cost: \$50 (includes admission to both institutions, admission to the Planet Shark exhibit, and classroom curriculum)

To register: Please go to www.dallaszooed.com
